# 21 to 21: DAY 16

Today, do something you have been putting off. Clean-up a mess, resolve something that irritates you or deal with something that's incomplete.

## TAKE ACTION

When you clean up your messes, incompletes and things that irritate you, it allows your mind the power to focus on what you *want* instead of what's bothering you.

I used to waste time looking for scissors or a flashlight but not anymore. I ordered a supply of both and now I have scissors and a flashlight in every room. That was easy!
