

Thanks for participating in 21 days until 2021

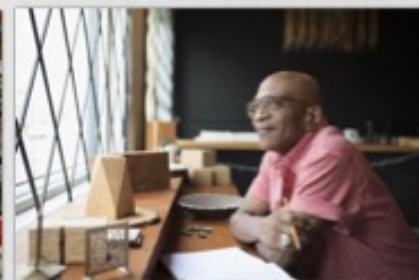

21 to 21: DAY 2

Today, send a handwritten **I APPRECIATE YOU** note. A handwritten note of appreciation does not require you buy a card, stationery or take a class to improve your handwriting. However, it may require a stamp. If needed, here is a starter sentence: I just wanted you to know, I appreciate you for _____.

A NOTE OF APPRECIATION

The power of appreciation is like gratitude, it is a feeling that strongly supports you in achieving your goals quickly. A mindset of appreciation will help you attract more of what you want.

“ *We must find time to stop and thank the people who make a difference in our lives.* ”
-John F. Kennedy
