

Thanks for participating in 21 days until 2021

21 to 21: DAY 3

Today, call someone and tell them what you appreciate about them and why you are grateful they are part of your life. You can use the starter sentence from Day 2 as your script.

A PHONE CALL OF APPRECIATION

The power of taking action to live in a mindful state of gratitude and appreciation moves you toward what you want faster and easier than you dreamed possible.

I hope you are having fun and enjoying 21 days to 2021. Please invite your family, friends and colleagues to join you on this delightful one day at a time adventure to 2021 ☺
