

Thanks for participating in 21 days until 2021

21 to 21: DAY 19

Today, prioritize your *2021 TOP 10 GOAL LIST* down to your 2021 **BIG 3 ABSOLUTELY GOTTA MAKE THESE HAPPEN GOALS** 😊

TAKE ACTION

The power of prioritizing your goals gives you clarity and focus.
With clarity and focus you know where to direct your
time, resources and effort.

As you ponder your top 3 goals, pause. Think about where you want to be in 5 years. Vividly see where you want to be, what you want to be doing, who you want to be doing it with. That image may be useful in helping you select your *2021 TOP 3 GOALS*.

You will ultimately focus on all 10 of your goals. Start with 3 goals. If you achieved them, that would rocket you into the next level of success.

Success can be in any area – your health/fitness, relationships, career, finances, personal growth, community service and recreation.
It's up to YOU!
